### Product Review: CAPO FORMA SUPER CORSA

By editor on November 22nd, 2008 *Written by: VeloGuy*

“Capo Forma has been making top quality cycling clothing for only a few years but they have already developed a very strong following. I have never had the opportunity to wear the Capo Forma clothing until they sent me one of their Super Corsa kits. I have heard my teammates rave about the comfort of the Capo gear on really long rides and I was looking forward to experiencing this for myself. The first thing that you notice about the Capo Forma clothing is the attention to detail. Their seams are flawless, and the color is exact between the jersey and the bib shorts. And the zipper is about the best I have ever seen. Once I put the kit on I was even more impressed by the fit. It felt like it was custom made for me. I couldn't believe how comfortable I was in the Super Corsa kit even after a 75 mile ride in over 90 degree heat. The material wicks sweat to the surface and it evaporates almost instantly. But for me the chamois is the clincher. It feels perfect, it works perfectly, and kept my sensitive parts completely comfortable while on my journey. There are less expensive kits on the market, but you would be wasting your money. Spend the money and buy only the best cycling clothing, and make sure that Capoforma is at the top of your list. You will be very happy with the purchase. My final thought is – Capo Forma has produced a top notch kit, at a competitive price, and has delivered as close to a perfect cycling kit you can find.”

## Rider Incentive Program (RIP)

To recognize and reward the accomplishments of our team members, and to encourage our team members to participate in competitive cycling events, TER has designed the Rider Incentive Program (RIP).

All TER members have the opportunity to enter their season's results into the RIP tally sheet. At the end of the year, all points are tallied and TER awards gift certificates, prizes, and other goodies to members based on their total point score. Racers earn points for every race they complete. The total number of points for each race is based on overall ranking. Longer races are weighted more than shorter distance races.

In addition to prizes, the following membership discounts are offered:

- Any female racer joining TER for the first time for the 2010 season and completing any three races will receive a 50% discount on her 2011 membership.
- Any new or renewing junior member racing for TER for the 2010 season and completing any three races will receive a 50% discount on his/her 2011 membership.
- Any member racing for TER for the 2010 season and winning a Series in either the age group or overall category will receive a 50% discount on his/her 2011 membership. (This includes Mountain, Road, Time Trial, or Cross-Country race series.)
- Any member racing for TER for the 2010 season and winning a State, National or World Championship will receive a complimentary 2011 membership. (This includes ACA, USCF, and NORBA State, National, or World championship races.)
- Any member joining TER with a current Cat 1/2 Road OR Pro/Semi-Pro MTB license will receive a complimentary membership.

To qualify for any of these incentives you must adhere to the following five **TER Rider Incentive Program Rules**. Please initial and date in the spaces below to certify that you have read these rules and will abide by them if you wish to participate in the program.

1. Members must list **Team Evergreen Racing** as primary sponsor on their race entry form. If a rider chooses to list another sponsor, he/she will not receive RIP points for the race.
2. Members must wear the current 2010 Team Evergreen Racing kit during your race. If a rider chooses not to wear the kit, he/she will not receive RIP points for the race. The only exception to this rule will be for races where multiple clothing changes are required. In this case the TER kit will need to be worn during at least one leg of the race.
3. Members must enter all of their race results into the RIP tally sheet at the end of the season. This will allow us to compile overall results and determine everyone's standing by the year-end awards party.
4. Every TER member is expected to contribute time in accomplishing the goals of the team and take leadership roles or, as a minimum, assist the team with at least **one (1)** of various TE or TER activities such as helping out with our road and/or mountain bike races, the Triple Bypass, lead training rides, or volunteering time for a cycling related activity. Failure to volunteer and not pay the \$50 opt out fee may result in denial of your application for the subsequent year and/or negate any discounted membership fees for the following year.
5. Have fun!

**I hereby certify that I have read the TER Rider Incentive Program Rules, and understand their contents.**

## Accident Waiver and Release of Liability

IN CONSIDERATION of being permitted to participate in any way in the Team Evergreen's Race Team and all other activities (collectively, "Activities") sponsored by Team Evergreen Bicycle Club, Inc. ("Club"),

I acknowledge that these Activities are an extreme test of a person's physical and mental limits, and I voluntarily assume all risks of all loss, damage or injury occurring in connection with such Activities. I fully understand that my participation carries with it the potential for death, serious injury, and property loss. The risks include, but are not limited to, those caused by terrain, facilities, temperature, weather, conditions of athletes, equipment, vehicular traffic, lack of hydration, actions of other people including, but not limited to, participants, volunteers, spectators, coaches, event officials, and event monitors, and/or producers of the event. These risks affect not only athletes, but also volunteers. I hereby assume all of the risks of participating and/or volunteering in these Activities. I realize that liability may arise from negligence or carelessness on the part of the persons or entities being released, or from dangerous or defective equipment or property owned, maintained or controlled by them.

I certify that I am physically fit, have sufficiently trained for participation in these Activities and have not been advised otherwise by a qualified medical person.

I acknowledge that this Accident Waiver and Release of Liability form ("Waiver and Release") will be used by the event holders, sponsors and organizers, in which I may participate and that it will govern my actions and responsibilities at said Activities.

In consideration of my application and permitting me to participate in these Activities, I hereby take action for myself, my executors, administrators, heirs, next of kin, successors, and assigns as follows: (A) WAIVE, RELEASE and DISCHARGE from any and all liability, claims, demands, actions or rights of action, which are related to my death, disability, personal injury, property damage, property theft or actions of any kind which may hereafter accrue to me which are related to or are in any way connected with participation in all Club Activities (including, without limitation, all Race Team activities) or result from my traveling to or from these Activities, THE FOLLOWING ENTITIES OR PERSONS: Team Evergreen Bicycle Club, Inc. and its directors, officers, employees, volunteers, representatives, agents, contractors, the event holders, event sponsors, event directors, event volunteers and their successors, assigns and insurers; and (B) INDEMNIFY AND HOLD HARMLESS the entities or persons mentioned in this paragraph from any and all liabilities or claims made by other individuals or entities as a result of any of my actions during these Activities. I UNDERSTAND THAT THIS IS A LEGAL DOCUMENT AND THAT BY SIGNING IT I AM GIVING UP MY RIGHT TO SUE OR OTHERWISE MAKE A CLAIM against the Club and other entities and persons mentioned in this paragraph.

I intend this Waiver and Release to be effective whether or not any loss, damage, injury or death RESULTS FROM NEGLIGENCE of the Club or any of its directors, officers, employees, volunteers, representatives, agents, contractors, the event holders, event sponsors, event directors, event volunteers and their successors, assigns and insurers. I understand that negligence means a failure to do an act which a reasonably careful person would do, or the doing of an act which a reasonably careful person would not do, under the same or similar circumstances to protect himself, herself or others from injury or death.

I hereby consent to receive medical treatment which may be deemed advisable in the event of injury, accident and/or illness during this event. In the event of accident and/or injury I further consent to the release of any and all transport, treatment and or medical information to the Club relating there to.

I understand that at these Activities or related events, I may be photographed. I agree to allow my photo, video, film likeness and email address to be used for any legitimate purpose by the event holders, producers, sponsors, organizers and or assigns.

I agree to wear an ANSI or SNELL approved helmet and to ride in accordance with all applicable laws.

This Waiver and Release shall be construed broadly to provide a release and waiver to the maximum extent permissible under applicable law.
